PRESENTED BY NY PRODUCT DESIGN AWARDS JURORS

NY Product Design Awards seeks to honor and recognize product designers, who contribute to the advancement of the field, regardless if the results are incremental or completely revolutionary. As such, the NY Product Design Awards is proud to invite participation from talented product designers, design teams, and manufacturers from all over the world. For designers who think beyond today's concerns, and impact our future with your thoughtful works, we honor you. Through your works, you design tomorrow, today.
